REPORT NO.

25X1A

THIS IS UNEVALUATED INFORMATION

—25X1X

- A. Division of Mathematics and General Natural Sciences

- (1) Department of Organic Chemistry

Dr. Wilhelm Treibs, professor for organic chemistry,
Leipzig University.

Dr. Wolfgang Langenbeck, professor for organic chemistry
Halle University.

- (2) Department of Inorganic Chemistry

Dr. Guenther Rienecker, professor for inorganic chemistry, Rostock University.

Dr. Franz Hein, professor for inorganic chemistry,
Jena University. 1/

- (3) Department of Geology

Dr. Fritz Deubel, professor for applied geology,
Humboldt University.2/

- (4) Department of Botany

Dr. Kurt Mothes, Departmental director in the Institute for Plant Culture Research and professor of biology, Halle University.

B. Division of Medical Sciences

(1) Department of Nutrition Sciences

Prof. Dr. Arthur Scheunert, Director of the Institute for Nutritional Sciences; Director of the Vianda Testing Station at Potsdam-Bornum; vice-president of the German Agricultural Academy, Berlin. 3/

(2) Department of Internal Medicine

Dr. Gertfried Katsch, professor of internal medicine, Greifswald University. 4/

(3) Department of Pharmacology

Prof. Dr. Peter Holtz (West German Academy). 10/

(4) Department of Gynecology

Dr. Robert Schneider, professor of gynecology, Berlin University. 1/

C. Division of Technical Sciences

(1) Department of Technical Physics

Dr. Robert Ruge, Director of the Institute for Radiation Sources, and Professor and Director of the Radio-Physical Institute of Heinrich University, Berlin. 6/

(2) Department of Technical Chemistry

Dr. Heinrich Vertsch, professor of chemical technology, Heinrich University and Chairman of the Technical-Scientific Council in the State Secretariat for Chemistry.

Dr. Johannes Belien, Director of the Chemical Works, Bonn.

Liehard Leibnitz, Dr. Ing., professor for chemical technology, Leipzig University, and Director of the Institute for Organic Chemical Substances of the Main Administration of Chemistry in the State Secretariat for Chemistry.

(3) Department of Physical Chemistry

Dr. Ing. Ernst Schmidt, professor and Director of the Institute for Electrochemistry and Physical Chemistry, Technical University, Dresden.

(4) Department of High Frequency Technology

Dr. Hans Fruehan, professor at the Technical University, Dresden; Director of the Institute for Electron Tube and High Frequency Technology, Technical University, Dresden. 7/

(5) Department of Technical Thermodynamics

Dr. Ing. Hans Faltin, professor and Director of the Institute for Thermodynamics, Technical University, Dresden.

(6) Department of Mining

Dr. Ing. Erich Lander, professor, The Mining Academy, Freiberg.

Dr. Ing. Georg Bucheler, professor, The Mining Academy, Freiberg.

(7) Department of Metallurgy

Dr. Ing. Karl Wagemann, Director of the main existing department of the Varsfeld combine "Wilhelm Pieck," Meleber.

(8) Department of Knowledge of Materials

Dr. Ing. Friedrich Mierholz, professor and Director of the Institute for Knowledge of Materials, Technical University, Dresden.

(9) Department of Automotive Engineering

Wolfgang Jantsch, professor, Technical University, Dresden; head of the Faculty for Machine Technology and Director of the Institute for Automotive Technology, Technical University, Dresden.

Final Comments

1, 2, 3, 6, 7, and 9. These men have been recipients of the East German National Prize.

4 and 5. These men hold the title "Honorary Physician of the People."

8. Dr. Bucheler holds the title of "Honorary Citizen."

1

Dr. Peter Holtz is listed in the 1950 Kuerschners Deutscher Gelehrten-Kalender as follows: M.D. and university professor of pharmacology and toxicology, director of the Pharmaceutical and Physiological Chemical Institute, Rostock, Gertrudenstrasse 9.
